Subject: Bluebird Restaurant Site Plan Review
Attachments: A.100 Site Plan_Land Use Permit 9.28.23.pdf

Good Afternoon,
I am reaching out regarding an upcoming project in downtown Leland; hoping to connect and understand if there is any Site Plan review or coordination with the Fire Chief/Dept.
The attached Site Plan shows the current plan/footprint for the new Bluebird restaurant and site layout.

We would be happy to review these together or meet on site as well to discuss if needed.

Thank you,

Chris Touhey, RA, LEED AP
