LCSS has an agreement in place with MMAP (Michigan Medicare/Medicaid Assistance Program), Inc. located in Lansing, Michigan to provide MIPPA (Medicare Improvements for Patients and Provides Act) Beneficiary Outreach and Assistance Services. The federal funding provided to LCSS by MMAP, Inc. is paid at $150.00 per LIS (Low Income Subsidy) enrollment application, $200.00 per MSP (Medicare Savings Programs) enrollment application, and $200.00 per Medicare Preventive/Wellness Benefits presentation.

The contribution of $1,400.00 is the successful submission of LIS applications, MSP applications, and/or qualified Medicare Prevention/Wellness presentation by Bruce Barnes, MMAP counselor.

Suggested Recommendation:

I move to recommend that the County Board of Commissioners accepts a contribution from MMAP Inc. totaling $1,400.00 and placed into Leelanau County Senior Services' account #281.000000-677.000
