Empire Township Airport
(FAA LID: Y87)
Also known as the William B. Bolton Airport, this unstaffed, little-used airfield consists of two runways: a 50-by-2,600-foot north-south-running asphalt runway (Runway 17/35) and a 150-by-2,235-foot east-west turf/sod runway (Runway 09/27).
