Article 10. Implementation of Agreement

2. Withdrawal within the first 5 years of membership shall require the approval of the other 3 townships and would result in the forfeiture of any equity accumulated.
3. Withdrawal after 5 years as a member with a resolution of notice 180 days prior shall have the approval of 2 other townships, and would allow recovery of equity at the rate of 10% of accrued contributions per year for each year starting in year 6, up to a maximum recovery of 100% of equity in year 15 and beyond, minus any amounts owed to the Fire Department or the other Townships in relation to Fire Department operations.

4. A township may be ejected from the Fire Board and this agreement for good cause after notice, a hearing, and a vote to eject by the other 3 Townships. A Township ejected for cause shall be entitled to recovery of equity, less amounts owed to the Fire Department or the other Township(s) in relation to Fire Department operations, using the formula described in Article 11 Section 3 above.
5. This agreement may be reviewed after each 5 year period, or anytime upon the request of all four participating townships, in an effort to address any issues that might have developed.
6. Any recommended changes require the consent of all 4 townships.
7. This agreement may not be unilaterally terminated except in the manner prescribed in this article.

Article 12. Effect of Termination of Agreement; Dissolution

2. All monies and funds, from whatever source, which are the property of the Fire Department shall be distributed between the Townships in the same proportion as the Funding Formula (Article 5.3) currently in effect, after deducting any expenses associated with the dissolution of the Board and the Fire Department.
3. All property, other than that otherwise provided for in Subsections 12(b)(1) and (2) shall be divided by agreement between the Townships in accordance with the formula described in Article 5.3. The assets of the Fire Department (both real and personal property) shall be appraised to determine their fair market value. The Townships shall agree on the person(s) to conduct the appraisals. If the Townships cannot agree on the appraisers(s), then each Township may appoint an appraiser. All appraisers shall then meet and appoint one or more other persons to conduct appraisals required herein. Such distribution may be in money, in services, or in equipment and property. Solon and Centerville Townships would have the first right to choose to take specific assets for their representative share.

Article 13. Dispute Resolution

The representatives of the 4 Township Boards shall meet with the mediator and participate in good faith in the mediation which, unless otherwise agreed to with the mediator, is to be conducted within 30 days of the selection of the mediator.

By their unanimous agreement, the parties may waive Step 1, above, and proceed directly to the Step 2 mediation process.

Step 3. If the dispute is not resolved after Step 2, such dispute shall be resolved as follows: The participating Townships shall appoint an arbitrator within six weeks of receipt of notice from another member Township of the need for arbitration. If the Townships cannot agree on an arbitrator, they shall petition the Chief Judge of the 13th Circuit Court to name an arbitrator. The arbitrator shall conduct an investigation and hearing on the dispute as expeditiously as possible using the rules of the American Arbitration Association, and shall then render a written decision on the dispute. Such decision shall be binding upon the member Townships and shall be enforceable where necessary in Circuit Court. The Townships shall evenly split the cost of the arbitrator, but each Township shall bear its own costs with respect to representation in any arbitration proceeding.

Article 14. Priority

The terms of this agreement shall govern and be superior to all bylaws, rules, policies, job descriptions and other written documents developed by the Fire Board, the Fire Chief, or any Fire Department personnel. In the case of a conflict between any such document and the terms of this agreement, this agreement shall control and prevail.

Article 15. Indemnification
