- Rural Residential Zoning District
- Agricultural Zoning District
- Commercial Zoning District
- Industrial Zoning District
- Residential Zoning District

Where the Township Zoning Map shows that the edge of a zoning district extends parallel to, and beyond, a private or public road right of way ("ROW"), the boundary of the zoning district, determined roughly perpendicular to the ROW, shall be construed as extending 450 feet beyond the center line of the ROW, unless the Zoning Map shows the zoning district boundary terminates at the rear parcel line of a parcel that adjoins the ROW.
