### CENTERVILLE TOWNSHIP BOARD MEETING WEDNESDAY, March 13 ,2024, 7:00 P.M. CENTERVILLE TOWNSHIP HALL 5001 S. FRENCH ROAD, CEDAR, MI 49621 MINUTES

PRESENT: Ronald Schaub, Elizabeth Chiles, Katrina Pleva, Daniel Hubbell, Joe Mosher

**GUESTS: 4** 

ON ZOOM: Darlene Doorlag, Paul Winston, Patsy Conklin

1. Call to order/Pledge of Allegiance

2. Review Agenda/Additions/ Approve Agenda / Public Comment...

Correction: an upcoming PC meeting is a special meeting, not an extra meeting. Addition: Mosher requested an item under new business to discuss Heritage Trail segment 9.

- 1. ACTION: Mosher moved to approve the agenda as presented and amended; supported by Pleva. Motion carried. (5,0)
- 2. Public Comment None

### 3. Previous Meeting Minutes

1. February 14, 2024 – four corrections were noted by Pleva; Chiles will make the corrections in the final copy.

**ACTION:** Hubbell moved to approve the minutes of February 14, 2024, regular meeting, as presented and corrected, supported by Schaub. Motion carried. (5,0)

### 4. Township Financial Update

1. Treasurer's Report

Pleva reported that the collection on taxes is finished. Reports have been dropped off at the County. Interest on a CDAR is due in June. She wants to look at other CDARs for the best returns in April. The list of approved financial institutions needs to be updated.

**ACTION:** Hubbell moved to approve the Treasurer's report; supported by Chiles. Motion carried. (5,0)

2. Reconciliation for February

Schaub explained reconciliation. He does it for the auditor. He asks Chiles for a random 4-5 invoices and the same of Pleva. Schaub looks the invoices over as just an extra eye on the finances.

Reconciliation for February was satisfactory.

3. Invoices – Review and authorize payment

Chiles noted an error in the report. Chiles explained that an invoice was previously overpaid, so the payment will be less on this month's invoice.

**ACTION:** Schaub moved to pay the invoices as presented; supported by Chiles. Motion carried. (5,0)

### 5. Clerk Report

1. Review pay for Election Workers

Election workers currently receive \$16.00 an hour and \$18.50 for the Chairs. Chiles would like to increase the hourly pay by \$1 - \$2 an hour and has asked the County Clerk to poll other clerks regarding election worker wages. Chiles will put together a

current and proposed election pay schedule for the next meeting. She also said she would like to do away with paying Receiving Board members extra money as this is not a standard practice.

### 2. Discuss Zoom Update Cost

One piece of the Zoom hardware is not working properly. Also, the screen to laptop link is not working well. The Planning Commission and the ZBA would like to have Zoom capability. We could get the hardware and training for \$550. Chiles could share the password and other groups could use the Zoom.

This discussion brought up the fact that the Township does not have a credit card. Chiles uses her personal credit card for items that can only be paid by a card. Chiles and Pleva will look into getting the Township a credit card.

### 6. Zoning Administrator's Report - No report

### 7. Planning Commission

Mosher reported. Updating the zoning ordinance continues. There has been good public attendance and comments. The Commission reached some general agreement on the waterfront overlay district. There is a meeting next Wednesday at 6:30 p.m. Three more special meetings are scheduled (April 6, April 29, and May 1).

At the last meeting, Michele Irwin presented from the STR sub-committee. There is a list of current STR's in the Township. Mosher will get the information.

There are 2 appeals from Northgate about the Pines campground. Northgate has the right to appeal at the circuit court level and it could take up to 8 months for a decision. Northgate has filed an appeal to the ZBA for their second application. Northgate has a lawsuit for damages.

There is no new information on Amoritas.

The Planning Commission meets on the first Monday of the month except for July and September. At the last meeting, the new officers for the year were decided. Once the minutes of a meeting are approved, it will be put on the website.

There was discussion about the review of the zoning ordinance being completed by June 30. Mosher explained the anticipated timeline and what still needs to be done. His thinking is that it will be finished by June 30.

The Centerville Township zoning fee schedule was discussed. Chris Grobbel suggested the fee schedule should be in a cleaner format. The Township does not make money on these fees. Often the work involved is extended warranting an extra fee. There was discussion about various parts of the fee schedule. There was concern expressed that someone will be inspecting new builds to see if the footings have been placed properly. Mosher will take the suggestions back to Grobbel.

### 8. Cedar Area Fire and Rescue Board - Ron Schaub

Schaub reported on the Fire budget which is under budget a bit.

- 1. Board member report/Reappoint John DePuy as Member-at-Large (2 yr.)

  ACTION: Hubbell moved to reappoint John DePuy as Member-at-Large (2-year term); supported by Pleva. Motion carried. (5,0)
- 2. Next regular meeting of the Cedar Area Fire and Rescue Board is on April 3, 2024 at 2:00 p.m.

### 9. Supervisor Report

supported by Pleva. Motion carried. (5,0)
The meeting dates for the coming year were presented. It was suggested that the meetings start at 6:30 p.m. instead of 7:00 p.m.

**ACTION:** Hubbell moved to approve the meeting schedule and the time change from 7:00 p.m. to 6:30 p.m.; supported by Mosher. Motion carried. (5,0)

### 2. Review Budget Amendments

Schaub explained some of the changes and answered questions. There were a lot of adjustments and the budget format of the previous supervisor, was different for Schaub. Because of this and the transition to a new supervisor, there was less time to compile the budget. Mosher suggested a review of the budget mid-year.

ACTION: Schaub moved that the Centerville Board of Trustees amend the FY 2023-24 Township Budget using unallocated anticipated revenues of \$18,800.00, plus adjusting totals within specified categories of the existing budget. Changes are outlined in the "Centerville Township FY 2023-24 Amended Line Item Budget" presented to the Board by Supervisor Schaub; supported by Hubbell.

### 10. Board - Unfinished Business

The painting of the Hall is finished. A room was added for elections and remodeling was done. This was done in order to comply with new election rules.

### 11. Board – New Business

### ARPA funds/furnace update

The furnace does not need to be replaced but it should be upgraded. The handicap entrance needs a rebuild. A quote is needed for both. Pleva will get a quote for the ramp. The ARPA funds need to be designated or spent by the end of the year.

### 2. Renew the Fire millage at 2.25

The millage is meant to cover the costs of the Fire Department. What was done in past was discussed. Schaub does not think it can be reduced and would like to renew it. There was continued discussion about the amount of the millage. It was

decided to table the subject until the next meeting. Schaub will provide analysis for different millage scenarios for discussion at the next meeting.

### 3. Heritage Trail Section 9

This section runs from Bohemian Road to the Harbor. The trail has been staked. The cost is privately funded. When the first leg of the trail was done, there was some public opposition brought to the Board. The Board does not have any jurisdiction over the trail.

### 12. Commissioner Report - Kama Ross

Ross reported on the scrap tire and mattress collection. Chet Janek is working on getting an intern County Administrator. There have been complaints about Point Broadband. The County is trying to resolve the issues. Ross spoke of a free energy audit for residents from Consumer Energy. She had it done in her residence and was very impressed. There is a meeting about solar energy at the Leland Library tomorrow. Emergency teams have worked on alternative plans to use during the road construction in Traverse City. The Road Commission will be doing a presentation for Centerville Township soon. Ross is always available for your concerns. Call her.

### 13. Upcoming Township Meetings

- 1. Next Board of Trustees Meeting: Wednesday, April 10, 2024 at 6:30 p.m.
- 2. Annual Meeting: Saturday, March 23 at 10:00 a.m. Special Budget Meeting following.

### 14. Public Comment

Jodie Arens – She expressed her thanks for the work of the Board and the exacting attention to the millage.

Dar Doorlag—She would appreciate Planning Commission meeting to be on Zoom. The roads need a lot of attention and it can be done without Township funding. She gave the example of Amor Road. However, she does not like the dirt road.

Tom Alfen – The Road Commission gets their funds from the State which the public also pays taxes to:

Steve Hamilton - He stated that some people like the dirt road.

Tom Alfen – He asked for an explanation of the water overlay district. Mosher explained it.

### 15. Motion to Adjourn

The meeting was adjourned at 9:16 p.m.

Respectfully submitted, Cindy Kacin

### Centerville Township Planning Commission Update Report | April 2024

### Zoning Ordinance Updates

- ZO review work continues. Public attendance and participation remain strong.
- Since our last board meeting on March 13, the planning commission has met twice (special
  meeting on Wed Mar 20 and regular meeting on Mon Apr 1). In the special meeting we
  dedicated the full 2+ hours to ZO review and in our regular meeting we spent majority of
  time on the same.
- We have two special meetings this month scheduled for Tue Apr 16 and Mon Apr 29, both 6:30 pm at township hall and posted on the website.
- Our Planner, Chris Grobbel, feels very good about the progress being made.
- At our regular April meeting we agreed to target completing detailed review of the
  remaining sections in the next special meetings Apr 16 and 29. Commissioners would then
  independently each go back and review the entire ZO proposed revisions front to back and
  come to regular meeting on Mon May 6 to discuss any final clarifications before concluding
  that part of our work.
- If we are able to meet this objective, the special meeting we currently have scheduled for Tue May 21 would be modified to serve as the mandatory public hearing.

### • Short-Term Rentals Sub-Committee

We will ask Granicus (parent company of Host Compliance) to run a township assessment
of advertised STR inventory this summer to compare with analysis they did of the Oct/Nov
season. STRs will be back on the agenda for discussion later this year.

### Northgate, LLC. and Leelanau Pines Campground

No update.

### Amoritas and Under Canvas

No update.

### Segment 9 of the Heritage Trail

- Spoke with Cleveland Township resident Doug Verellen on Thu Mar 21 to better understand
  the status of the project and what action he was seeking from the Centerville Township
  Board.
- I suspect, but have not confirmed, that this matter does not come before either the
  Planning Commission nor the Township Board due to the fact that the proposed extension
  within Centerville Township fall entirely within property of the National Park Service.
- Ron authorized me to speak with our attorney and I raised this with Lauren. She said that
  she would research and provide an opinion following her spring break travels the week of
  Mar 25-29. As of this writing I have not heard from Lauren but will provide an update if we
  have one at our meeting on Apr 10.

### PC Meetings

- At our April 1 regular meeting we reviewed some of the major, recurring tasks traditionally handled by the PC chair (e.g., developing agenda, preliminary review of meeting minutes, posting documents to website, etc.) and discussed how we can thoughtfully distribute some duties across multiple commissioners in compliance with PC Bylaws.
- Intention is to help with workload management for individuals on the team while also building familiarity with these processes among several people and establishing redundancy in the event of sudden, future PC turnover.

#### Fee Schedule

- Following our discussion as a board about proposed changes to the Township Zoning Fee
  Schedule from our planner, Chris Grobbel, I spoke with Chris to review the questions and
  align on proposed formatting and substance changes to the schedule.
- Discussion of the proposed changes to be discussed in the April regular meeting and potentially voting to approve updates to the schedule.

Disclaimer, this is a summary report of updates from the planning commission to the township board and was prepared in advance to allow for better preparation and enable more informed discussion on any questions or concerns that arise. This is not meant to be a comprehensive list of all the work being done by the PC or to replace the official records which are codified in approved meeting minutes posted to the township website.

Respectfully prepared and submitted,
