- > Please read the letter below to the County Commissioners during public comment.
- >
- > To the Leelanau County Board of Commissioners, I would seriously like
- > you to consider appointing future members to the Leelanau County Road Commission. Consider the following reasons:
- >
- > 1. It avoids partisan politics.
- > 2. It avoids unqualified persons being elected.
- > 3. It avoids election by name recognition only.
- >
- > This can assure us that truly qualified persons can be part of this commission. Persons that:
- > 1. Know what the position entails.
- > 2. Are willing to work on county committees when asked.
- > 3. Are willing to attend regional and state meetings.
- > 4. Are willing to visit commission working sites.
- > 5. Are qualified and have a working knowledge and the skills necessary for road commissioners.
- > 6. And most of all, be a workable team member and be willing to be a true part of our great Leelanau County community.
