

**CHARTER TOWNSHIP OF ELMWOOD
Park and Recreation Committee
Special Meeting**

September 14, 2023 at 6:00 PM

Location: Elmwood Township Hall (10090 E. Lincoln Road, Traverse City, MI)

- a) Call to Order – 6:00PM
- b) Roll Call
- c) Public Comment
- d) Agenda Modifications/Approval
- e) Minutes
- f) New Business
 - 1. Staff update(s)
 - 2. Cherry Bend Park playground discussion
- g) Old Business
- h) Comments from Committee Members and/or Staff
- i) Public Comment
- j) Adjourn

CHARTER TOWNSHIP OF ELMWOOD
10090 E LINCOLN ROAD
TRAVERSE CITY, MI 49684 231-946-0921

NOTICE OF SPECIAL PARKS AND RECREATION COMMITTEE MEETING

PLEASE TAKE NOTE that the Parks and Recreation Committee of the Charter Township of Elmwood will hold a special meeting on September 14, 2023 at 6:00pm at the Elmwood Township Hall, 10090 E Lincoln Road, Traverse City, MI 49684. The purpose of said meeting is to:

1. Staff update(s)
2. Cherry Bend Park playground discussion

The public is invited to attend this Special meeting.

Individuals with disabilities who are planning to attend and require reasonable auxiliary aids should contact the Township Clerk by calling 231-946-0921

Elmwood Township Hall
Connie Preston, Township Clerk

CHARTER TOWNSHIP OF ELMWOOD
Park and Recreation Committee Special Meeting
Elmwood Township Hall (10090 E Lincoln Rd)
August 24, 2023 at 6:00 PM

- a) **Call to Order:** Chair Kopriva called the meeting to order at 6:01 PM at Township Hall.
- b) **Roll Call:** Committee members present were Sara Kopriva, Noel Flohe, & Hannah Preston. Not present was Ed Basile, (quorum met). Also present was Sarah Clarren.
- c) **Public Comment:** None.
- d) **Agenda Modifications/Approval:** Moved by Sara Kopriva, second by Flohe to approve the agenda as presented-U.
- e) **Minutes:** Moved by Flohe, second by Sara Kopriva to approve the minutes for the Special Meeting of October 25, 2022-u.
- f) **New Business:**
 - 1. **Welcome new committee member.** The Committee welcomed Hannah Preston. The Committee also asked Clarren to write Fernando Meza a letter thanking him for serving on the Committee.
 - 2. **Staff updates(s):** Clarren relayed that the State has approved the Township's 5-Year Parks and Recreation Plan. She noted that the Plan is available online and can print a hard copy off for any Committee member.
 - 3. **Cherry Bend Park playground discussion:** Clarren relayed that the Township Board will soon begin its budget planning process, so the Committee has the ability to recommend funding for necessary improvements. In the packets, excerpts of the Parks Plan were included, including sections on the Cherry Bend Park. The Committee agreed that many elements are outdated and some play equipment is broken. The Committee discussed improvements and reviewed potential additional equipment. The Committee discussed a piecemeal approach vs examining the facility as a whole. The Committee suggested moving forward with 'small hanging fruit,' if possible, in 2023 such as adding 4' x 4' posts for hammocks, small toddler playset, additional accessible picnic benches. Committee also suggested reaching out to companies to determine if there would be a good approach for accessible access to an ADA swing in the short-term. The Committee also discussed leased areas of Cherry Bend Park and before considering further equipment, they asked to see lease agreements.
 - 4. **Upcoming meeting schedule:** The Committee agreed to meet on 9/14 and 10/12 at 6pm.
- g) **Old Business:** None.
- h) **Comments from committee members and/or staff:** None.
- i) **Public comment:** None.
- j) **Adjourn:** At 6:41 PM, Noel moved, second by Sara Kopriva to adjourn-U.

Submitted by Noel Flohe, Parks & Rec. Committee Secretary; revised, Sarah Clarren

Getting Started

Playground Planning Checklist to Help Create the Ultimate Play Experience

Planning the perfect community or school playground is easy when you have the right tools. Follow these five easy steps to create the ultimate playground for children in your community and beyond.

Envision your Play Area

A great playground will complement your school or community's unique personality and be a destination for years to come. Work with a landscape architect or your [Landscape Structures playground consultant](#) for help in laying out an efficient and exciting design that follows accessibility and safety guidelines to ensure you create a beautiful playground that is safe, fun and comfortable for all visitors. Get started by defining objectives for your play area:

- What ages and abilities will use this play area?
- How many visitors will play at once?
- Are there unique historical characteristics, a color scheme or theme you'd like to incorporate?
- Do you need additional amenities such as shade, benches or waste receptacles?

Analyze your Site

"Bob was extremely helpful and knowledgeable; he made the playground planning process smooth and painless."

Kim Yarrington

The characteristics of your site, including both natural and man-made elements, can greatly impact the design of your playground. Our playground consultants will work with you to analyze your site to make the most of the natural topography, nearby trees and shrubbery, and existing walking paths to create a beautiful play environment. Consider the following when choosing your playground site:

- Will the slope and soil conditions of your site allow for proper drainage?
- Is there existing vegetation that can be incorporated into your design?
- Does your site receive high levels of wind or precipitation, or hot afternoon sun?
- Can the playground be located near existing amenities such as parking, restrooms and walking/biking paths?

Design Your Playground Site

Now that you've envisioned your playground and assessed your site, it's time to create a detailed budget and design a playground that will meet the needs of your community. The Consumer Products Safety Commission (CPSC) recommends separate areas for ages 6 to 23 months, 2- to 5-year-olds and school-age children; consider designing separate [play areas for all age groups](#) that may visit your playground. Be sure to consider other design elements:

- Do you want your playground to have a modern look, mimic the environment or carry out a theme?
- What freestanding play elements will you incorporate?
- Spinners, swings or seesaws?
- How much challenge do you want to incorporate?
- What inclusive elements—ramps, transfer points, sensory play, music—will your design have?
- Do you want to add [fitness playground](#) elements in your design?
- Are you designing for future phases so it's easier to enhance your playground down the road?

Playground products shown in video may not be appropriate for every age group. Playsystems shown in video are for demonstration purposes only. Product configurations may vary.

Install Your Playground

We have choices when it comes to the installation of your playground. You can recruit volunteers to help with the installation, which is supervised by a professional installer. Not only is our **community build** option exciting, but it helps create a sense of pride and ownership in the new play space. If volunteers are hard to come by, we can send a certified crew to install your playground professionally.

Enjoy and Maintain Your Playground

When your playground is ready for public use, host a grand opening party to welcome visitors and thank all those involved in the process. Grand openings are a great way to celebrate all the work that went into creating the new play area. To keep your playground looking great and safe for play, we'll send you a customized maintenance kit. Ask your playground consultant to determine the frequency of inspections and maintenance needed.

Playground Consultation

We've created a global network of local playground experts—with an average of 20 years of experience—who know how to make finding the right playground design easy for you. They'll learn about your specific needs and priorities, then guide you through every step to make the process as easy as possible. Get started today!

LICENSE AGREEMENT

This License Agreement (Agreement) is entered into between Elmwood Charter Township (Township or Elmwood Township), Leelanau County, Michigan and the Leelanau Soccer Club (League) under the following terms and conditions.

1. License.

The Township grants permission (also, called a License) for the League to make maintain and make improvements to certain portions of Township recreational land (the Premises) and to use the Premises as provided in this Agreement. The Premises are marked below.

2. Term of Agreement.

The term of this Agreement and the License granted by this Agreement shall be three (3) years and may be renewed in the discretion of the Township. The License begins on the effective date of this Agreement. However, this Agreement and the License may be terminated during the term of this Agreement or during the term of any renewal of this Agreement.

Elmwood Township will be responsible for:

1. Mowing of main and practice soccer fields
2. Maintenance of irrigation system and watering when needed on main field

Leelanau Soccer Club will be responsible for:

1. Fertilizing, as necessary
2. Seed and reseed, as necessary
3. Aeration, as necessary
4. Line all fields
5. Maintain all nets and goals
6. Scheduling field use

In addition:

1. All Leelanau Soccer Club players, coaches will have proper insurance
2. Leelanau Soccer Club will furnish Township with copy of field liability insurance
3. All Leelanau Soccer Club coaches will have Risk Management cards, a copy of which is provided to the Township
4. Leelanau Soccer Club will provide copies of all expenses to Township when requested
5. No use of any type of mechanical equipment may be used to remove snow from fields

6. All groups/organizations using the fields will be charged the same user fee (per person, per season) that will be collected by Leelanau Soccer Club and submitted to the Township
7. All groups/organizations requesting time must provide a copy of liability insurance
8. Leelanau Soccer Club to provide Township with a schedule for all maintenance to be done.
9. Leelanau Soccer Club will provide Master Schedule to Township for all events at least 30 days in advance of the event
10. Contact at the Township will be Township Supervisor

3. Use of Premises.

The League shall improve and use the Premises solely for the purpose of recreational league soccer.

4. License Fee.

The League shall pay to Elmwood Township an annual license fee on or before May 1 of each year. The fee shall be \$1,000 annually.

5. Ownership of Improvements

All capital construction, and any other improvements to the Premises shall become part of the Premises and ownership of same shall vest in Elmwood Township upon installation. Sports equipment that is not affixed to the ground or installed in the ground shall remain the property of the League and may be removed by the League upon the termination of this License. Any sports equipment left on the premises after the termination of the License shall be deemed abandoned by the League and shall become the property of Elmwood Township.

6. Environmental activity.

The League is prohibited from acquiring for use or application any materials or engaging in any activity that would cause the Premises not to be in conformity with any law, regulation, or ordinance that has as its objective the

maintenance, improvement, elimination, or deterioration of the air, water, or earth.

7. Scheduling of Use of Premises.

A. The League shall have the right to use the Premises or that portion of the Premises dedicated to soccer, which use shall include formal game schedules and practices for teams. The pavilion may be used as long as it has not been previously reserved either by a member of the general public on a first-come, first-serve basis or otherwise reserved by means of a use agreement. No picnic tables shall be removed from the picnic pavilion at any time for any reason whatsoever. The League shall provide Elmwood Township with a proposed schedule for the regular season, post-season tournaments, and League practice times at least 30 days prior to the start of each season of use. To the extent that the fields, or any other facility used in conjunction with soccer activity, is not being used by the League on a particular day and time, use of the Premises shall be open to the public or any other amateur soccer associations or organizations. However, the Premises may only be used by other amateur soccer associations or organizations with the prior written permission of Elmwood Charter Township.

B. In the event that there are times and dates which are not scheduled for League play or practice, or other associations' or organizations' play or practice, individual members of the general public, including non-organized groups of the general public, may use the Premises in accordance with its intended use and design.

C. An amateur soccer association does not include a "pick up" type game of soccer, even if those pick-up games occur on regular dates and times. Use of the Premises by individual members of the general public; by non-organized groups of the general public; or by any association or organization, general public or not, for any activity other than soccer or not in accordance with the primary use and design of the Premises shall

be first approved by the League and Elmwood Township. Elmwood Township reserves the right, in consultation with The League, to prohibit activities that would adversely affect or interfere with the use and enjoyment of the Premises due to the nature or time of the activity proposed by said organized group or association.

D. If there is a dispute between the League and any other user of the Premises, the Elmwood Township Board or its designated representative shall have the right to determine which person or entity has the right to use the Premises. In addition, the Township has the right to set fees for third parties for use of the Premises.

8. Indemnification by the League.

The League shall indemnify and hold Elmwood Township harmless from all money damages, costs and/or attorney fees incurred by Elmwood Township which is proximately caused by any act or omission of the League and includes, but is not limited to, a violation of any provision of this Agreement such as the parking requirements contained in this Agreement.

9. Laws and regulations.

A. The League shall comply with the requirements of all local, state, and federal laws and regulations now in force and which may hereafter be enforced pertaining to the use of the Premises.

B. At the inception of this Agreement, the League is a tax-exempt organization under Section 501(c)(3) of the Internal Revenue Code of 1954 and under Michigan state law. The League warrants to Elmwood Township that it shall make every effort to maintain this status, and failure to do so will be deemed a breach of this Agreement. If for any reason the tax status of the

League changes, and such change causes the imposition of any tax liability upon the League or Elmwood Township, then the League shall be solely responsible for the tax liability to any lawful authority asserting or claiming the tax liability, and the League shall hold Elmwood Township harmless and defend Elmwood Township against any such claim.

10. Assignment.

The League shall not assign this License or any provision of this Agreement without the prior written consent of Elmwood Township.

11. Termination.

A. Either party may terminate this Agreement and the License granted by the Agreement at any time with or without cause, provided however that all indemnification provisions of this Agreement shall continue to be effective. Furthermore, any Elmwood Township decision to consider whether or not to terminate this Agreement must be made at a Township Board meeting only after written notice is provided to the League, at least 30 days in advance, specifying the reasons why termination of this Agreement is under consideration. Service shall be deemed "mailed" on the date of the postmark of the envelope containing the notice. Upon execution of this Agreement and as needed thereafter, the League shall provide to the Township Clerk the name and mailing address of its designee in writing. If the League fails to provide this information, then the Township shall not be required to comply with this notice requirement. The Township is not obligated to determine whether the information regarding the League's designee is current or accurate since this shall be the responsibility of the League. This notice provision shall not be construed to limit Elmwood Charter Township's discretion in the use of its property nor does this notice provide Leelanau Soccer Club with any rights in law or in equity which would prevent Elmwood Charter Township's ability to terminate this Agreement pursuant to the terms

contained herein, but is intended only to provide NorthStar League with an opportunity to be heard regarding the issue of termination.

12. Rights of Township as Owner.

Nothing in this Agreement shall limit the Township's exercise of its rights as owner of the Premises or to enforce any of its rights or powers as a governmental entity.

13. No waiver.

The failure of either party to enforce any covenant or condition of this Agreement shall not be deemed a waiver thereof, or in any way impair the right of either party to enforce each and every covenant and condition of this Agreement. No provision of this Agreement shall be deemed to have been waived unless such waiver is placed in writing and signed by both parties.

14. No Assignment.

This agreement is not assignable by either party except with the prior written consent of the other party.

15. Title to property to be preserved.

The League and Elmwood Township agree, and notice is hereby given, that no mechanic's liens or any other type of lien shall in any manner or degree affect title of Elmwood Township to the Premises, nor shall the League have the right to encumber or impair in any manner the title of Elmwood Township and its land, buildings, fixtures, and personal property.

16. Attorney fees.

In the event either party incurs attorney fees in connection with any action taken against the other party while seeking enforcement of any of the provisions of this Agreement, the prevailing party shall be entitled to recover

its reasonable attorney fees, in addition to the damages sustained by virtue of breach of this Agreement by the other party.

17. Dispute resolution.

If there is any question or dispute between the parties regarding the terms and conditions of this Agreement, or the operational effects of such terms or conditions, the League shall be represented by not less than three members of its Executive Board or designee at any meeting called for the purpose of resolving any questions or disputes between the parties regarding this Agreement when the presence of the League is required or requested. In such instance, Elmwood Township shall be represented by the Elmwood Township Supervisor, the Elmwood Township Attorney, and one member of the Elmwood Township Board. If the parties are unable to resolve the question or dispute, either party may pursue whatever legal remedies may be available in a court of law.

18. Entire agreement.

This Agreement is the entire agreement between the parties and shall not be modified in any manner, except by an instrument in writing executed by both parties. If any term or provision of this Agreement, or its application to any person or circumstance, shall to any extent be held invalid or unenforceable, the remainder of this Agreement shall not be affected and each term and provision of this Agreement shall remain valid.

19. Nondiscrimination.

The League agrees to comply with all pertinent state and federal regulations, and legislation involving civil rights, disabilities, equal opportunity, and affirmative action including but not limited to Title VII of the Civil Rights Act of 1964, and Act No. 453, Michigan Public Acts of 1976.

20. Federal, State and Local Regulations.

The provisions of this Agreement shall be construed in accordance with the provisions of state and federal laws and local ordinances. The League assumes sole liability for any non-compliance with these regulations.

21. Choice of Law and Venue.

This agreement shall be governed by the laws of the State of Michigan, and the venue shall be Leelanau County exclusively.

22. Signatories.

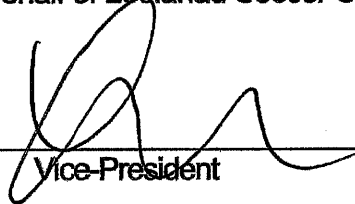

The signatories warrant that all statements contained in this Agreement are complete and accurate and that they are empowered to enter into this Agreement.

23. Effective date.

This Agreement is effective upon the date of execution by all parties.

ACTING IN LEELANAU COUNTY, MI

LICENSE AGREEMENT

This License Agreement (Agreement) is entered into between Elmwood Township (Township or Elmwood Township), Leelanau County, Michigan and the Traverse City, Michigan Little League (League) under the following terms and conditions.

1. License.

The Township grants permission (also, called a License) for the League to make improvements to certain portions of Township recreational land (the Premises) and to use the Premises as provided in this Agreement.

The Premises are more fully described as follows:

Parcel Number 004-028-129-10 commencing at the West ¼ corner of Section 28, thence along the East-West ¼ line, South 89 degrees 34 minutes 30 seconds East, 618.88 feet; thence South 0 degrees 43 minutes 30 seconds West, 15.00 feet to the point of beginning; thence along a line 15 feet South of and parallel to the aforesaid East-West ¼ line, South 89 degrees 34 minutes and 30 seconds East, 451.34 feet to the center line of Cherry Bend Road; thence along said center line South 0 degrees 43 minutes 30 seconds West, 550.87 feet to the Northeast corner of the plat of Cherry Bend Heights; thence along the boundary line

of said plat as follows: North 89 degrees 34 minutes 30 seconds West, 305.95 feet, North 0 degrees 43 minutes 30 seconds East, 45.65 feet, North 89 degrees 16 minutes 30 seconds West, 66.00 feet, North 0 degrees 43 minutes 30 seconds East, 120.00 feet, and North 82 degrees 10 minutes 00 seconds West, 80 feet; thence North 0 degrees 43 minutes 30 seconds East, 374.80 feet to the point of beginning, subject to the right of way of Cherry Bend Road. Said parcel containing 5 acres more or less in Township 28 North, Range 11 West.

2. Term of Agreement.

A. The term of this Agreement and the License granted by this Agreement shall be ten (10) years and may be renewed in the discretion of the Township. The License begins on the effective date of this Agreement. However, this Agreement and the License may be terminated during the term of this Agreement or during the term of any renewal of this Agreement.

3. Use of Premises.

The League shall improve and use the Premises solely for the purpose of recreational baseball and softball pursuant to the official rules and specifications of Little League International, Incorporated (Little League).

4. Improvement of Premises.

A. The League may make such capital additions and improvements, and expend funds for maintenance and operational expenses to the Premises, as it deems necessary and in its discretion to make the site suitable, safe, and acceptable in conformity with design standards for a Little League baseball facility and in compliance with any applicable land use regulations and building and fire codes. However, any such additions and improvements shall be subject to the prior approval of the Elmwood Township Board.

B. Improvements to the Premises by the League must be approved in advance by the Elmwood Township Board as follows:

1. The League shall submit a site development plan for the Premises with a budget for all improvements to the Elmwood Township Board. The criteria for an acceptable site development plan shall be established by the Elmwood Township Board.
2. Upon approval of the site development plan by the Elmwood Township Board, the League may commence construction and installation of the capital improvements.
3. It shall be the responsibility of the League to secure all required permits for the use, development, and improvement of the baseball facilities on the Premises. This Agreement does not exempt the League from complying with zoning or other requirements, if applicable.
4. The League may request that the Elmwood Township Board amend any existing site development plan by following the same procedures used in approving the initial site development plan.

- C. The League shall develop and submit to the Elmwood Township Board a regularly-scheduled maintenance and operation plan for review and approval by the Elmwood Township Board.
- D. The League shall submit an annual budget report regarding use, maintenance, repair, and improvements to the Premises to the Elmwood Township Board for review and approval. The League shall make any and all records, books, instruments, contracts, and documents of any kind available for inspection by the Elmwood Township Board within 5 days of any written request for such records.
- E. The League agrees to comply with any and all restrictive covenants applicable to the Premises, if any.
- F. The Elmwood Township Board shall have the right to inspect the Premises at all reasonable times to ensure that use and development are being undertaken consistent with the approved site development plan and to ensure all other terms and conditions of this Agreement are being met.
- G. Nothing in this Agreement shall prevent the Elmwood Township Board from referring any initial site development plan or subsequent site

development plan to the Elmwood Township Planning Commission for its review and recommendation to the Township Board for approval.

5. Cost of improvements.

A. The League shall be solely responsible for all site development, capital, repair, and maintenance and operational costs (including utilities). No costs shall be chargeable to Elmwood Township, except by approval of the Township Board.

B. Any contracts offered and executed by the League for capital, maintenance, repair, or operation shall conform and comply in substance and form with the standard applicable form for such contracts then in use by Elmwood Township, and the procedures for obtaining or granting such contracts shall conform to Elmwood Township's contract and procurement policies and procedures then in use. The Township Board may waive this requirement.

6. Additional site development.

After approval of the initial or subsequent site development plan by the Elmwood Township Board, the Elmwood Township Board may develop recreation and site plans for the remainder of the Premises, if any. Any such recreation and site plans shall be compatible and not interfere with the use and enjoyment of the Premises by the League.

7. License Fee.

The League shall pay to Elmwood Township an annual license fee on or before May 1 of each year. The fee shall be in the following amounts: \$1.00 for 2009, \$2,333.33 for 2010; \$2,333.33 for 2011; \$2,333.33 for 2012; \$1.00 for 2013 until the expiration of this Agreement

8. Signs.

A. All signs, posters, bulletin boards or any other device or contrivance intended to advertise, direct, or inform the public, visitors, and/or attendees of events shall comply with the Elmwood Township Zoning Ordinance, and the League shall obtain any permits that may be required by the Zoning Ordinance. In addition to compliance with Zoning requirements and since the League is using Township-owned land, the League shall also obtain prior approval of the Elmwood Township Board for any signs allowed by the Zoning Ordinance. Any such signs, posters, bulletin boards, or other devices shall include reference to Elmwood Township in recognition of Elmwood Township being a project partner.

B. Commercial advertising shall not be permitted on the Premises, and no concession stands shall be allowed on the Premises, unless otherwise authorized under the existing Elmwood Township Zoning Ordinance.

9. Site Ingress and egress and Parking Requirements.

A. Access to the Premises will be from Lincoln Road or Avondale Lane. No access to the Premises is authorized off Cherry Bend Road, including, but not limited to the northern baseball facilities.

B. Elmwood Township has an established parking lot designed for the protection and convenience of its residents, visitors, and guests using the Township Hall, the Township Fire Hall, and Elmwood Township's Cherry Bend Park recreational facilities. The Cherry Bend Park recreational facilities include the Premises. The League shall require that anyone using or coming to the Premises as a result of a League activity shall use the established parking lot at all times. Parking along Cherry Bend Road is not authorized. Violations shall be reported by the League to the Leelanau County Sheriff's Department or the Traverse City post of the Michigan State Police. A violation of the requirements of this Agreement by a representative of the League, or by third parties who are using, visiting or are on the Premises as a result of a League activity, shall be a violation of this Agreement.

10. Ownership of Improvements.

All capital construction, and any other improvements to the Premises shall become part of the Premises and ownership of same shall vest in Elmwood Township upon installation. Sports equipment that is not affixed to the ground or installed in the ground shall remain the property of the League and may be removed by the League upon the termination of this License. Any sports equipment left on the premises after the termination of the License shall be deemed abandoned by the League and shall become the property of Elmwood Township.

11. Environmental activity.

The League is prohibited from acquiring for use or application any materials or engaging in any activity that would cause the Premises not to be in conformity with any law, regulation, or ordinance that has as its objective the maintenance, improvement, elimination, or deterioration of the air, water, or earth.

12. Scheduling of Use of Premises.

A. The League shall have the right to use the Premises or that portion of the Premises dedicated to baseball or any other facility (such as the picnic pavilion adjacent to Field #3) used in conjunction with baseball activities, which use shall include formal game schedules and practices for teams. The pavilion may be used as long as it has not been previously reserved either by

a member of the general public on a first-come, first-serve basis or otherwise reserved by means of a use agreement. No picnic tables shall be removed from the picnic pavilion at any time for any reason whatsoever. The League shall provide Elmwood Township with a proposed schedule for the regular season, post-season tournaments, and League practice times prior to the start of each season of use. To the extent that one or more of the baseball fields, or any other facility used in conjunction with baseball activity, is not being used by the League on a particular day and time, use of the Premises shall be open to the public or any other amateur baseball associations or organizations. However, the Premises may only be used by other amateur baseball associations or organizations with the prior written permission of the League and Elmwood Township.

B. In the event that there are times and dates which are not scheduled for League play or practice, or other associations' or organizations' play or practice, individual members of the general public, including non-organized groups of the general public, may use the Premises in accordance with its intended use and design.

C. An amateur baseball association does not include a "pick up" type game of baseball, even if those pick-up games occur on regular dates and times.

Use of the Premises by individual members of the general public; by

non-organized groups of the general public; or by any association or organization, general public or not, for any activity other than baseball or not in accordance with the primary use and design of the Premises shall be first approved by the League and Elmwood Township. Elmwood Township reserves the right, in consultation with The League, to prohibit activities that would adversely affect or interfere with the use and enjoyment of the Premises due to the nature or time of the activity proposed by said organized group or association.

D. If there is a dispute between the League and any other user of the Premises, the Elmwood Township Board or its designated representative shall have the right to determine which person or entity has the right to use the Premises. In addition, the Township has the right to set fees for third parties for use of the Premises. The League may also charge a fee to non-League associations or organizations for use of the facilities; however, such fees must be no more than those fees charged to League teams and players. The League shall not charge a fee to any individual member of the

general public or any non-organized groups of the general public. Any fees collected by Elmwood Township for use of the Premises shall be paid over to the League for maintenance, repair and operation of the Premises.

13. Rules and regulations.

During League activities, the League shall be responsible for its compliance or third party compliance with any rules or regulations of Elmwood Township that apply to the Premises. The League may establish its own rules for League-authorized activities. However, any such League rules must also be approved by the Elmwood Township Board. Elmwood Township shall also retain authority to enforce any local rules regulations regarding the Premises.

14. Insurance.

The League shall be responsible for maintaining insurance on the Premises and for any League activity on the Premises in the amounts specified below:

<u>Coverages</u>	<u>Limits of Liability</u>
Workers' Compensation	Statutory
Employer's Liability	\$500,000
Commercial General Liability	\$1,000,000 each occurrence
Property Damage Liability	\$1,000,000 each occurrence

Any insurance policy purchased by the League shall provide that Elmwood Township is an added named insured to any such insurance policy. The League shall notify Elmwood Township within 10 days of any changes in the terms of its insurance policies. Elmwood Township agrees to add the Premises to its insurance coverage and the League shall be named as an additional insured on Elmwood Township's insurance if so required by Elmwood Township's insurance carrier or administrator.

15. Indemnification by the League.

The League shall indemnify and hold Elmwood Township harmless from all money damages, costs and/or attorney fees incurred by Elmwood Township which is proximately caused by any act or omission of the League and includes, but is not limited to, a violation of any provision of this Agreement such as the parking requirements contained in this Agreement.

16. Laws and regulations.

A. The League shall comply with the requirements of all local, state, and federal laws and regulations now in force and which may hereafter be enforced pertaining to the use of the Premises.

B. At the inception of this Agreement, the League is a tax-exempt organization under Section 501(c)(3) of the Internal Revenue Code of 1954 and under Michigan state law. The League warrants to Elmwood Township

that it shall make every effort to maintain this status, and failure to do so will be deemed a breach of this Agreement. If for any reason the tax status of the League changes, and such change causes the imposition of any tax liability upon the League or Elmwood Township, then the League shall be solely responsible for the tax liability to any lawful authority asserting or claiming the tax liability, and the League shall hold Elmwood Township harmless and defend Elmwood Township against any such claim.

17. Assignment.

The League shall not assign this License or any provision of this Agreement without the prior written consent of Elmwood Township.

18. Termination.

A. Either party may terminate this Agreement and the License granted by the Agreement at any time with or without cause, provided however that all indemnification provisions of this Agreement shall continue to be effective. Furthermore, any Elmwood Township decision to consider whether or not to terminate this Agreement must be made at a Township Board meeting only after written notice is provided to the League, at least 30 days in advance, specifying the reasons why termination of this Agreement is under consideration. Service shall be deemed "mailed" on the date of the postmark of the envelope containing the notice. Upon execution of this Agreement and as needed thereafter, the League shall provide to the Township Clerk the

name and mailing address of its designee in writing. If the League fails to provide this information, then the Township shall not be required to comply with this notice requirement. The Township is not obligated to determine whether the information regarding the League's designee is current or accurate since this shall be the responsibility of the League. This notice provision shall not be construed to limit Elmwood Township's discretion in the use of its property, but is intended to provide the League with an opportunity to be heard regarding the issue of termination.

19. Rights of Township as Owner.

Nothing in this Agreement shall limit the Township's exercise of its rights as owner of the Premises or to enforce any of its rights or powers as a governmental entity.

20. No waiver.

The failure of either party to enforce any covenant or condition of this Agreement shall not be deemed a waiver thereof, or in any way impair the right of either party to enforce each and every covenant and condition of this Agreement. No provision of this Agreement shall be deemed to have been waived unless such waiver is placed in writing and signed by both parties.

21. Notices.

All notices, bills, or statements required shall be in writing and shall be deemed to have been given if either delivered personally or mailed by certified mail to the parties at the addresses listed below. Either party may subsequently change the address for notice, bills, or statements by giving written notice of such changes to the other party.

If to Elmwood Township:

Supervisor
Charter Township of Elmwood
10090 E. Lincoln Road
Traverse City, Michigan 49684

If to League:

President
Traverse City Little League
9560 E. Harbor Hills Drive
Traverse City, Michigan 49684

22. No Assignment.

This agreement is not assignable by either party except with the prior written consent of the other party.

23. Title to property to be preserved.

The League and Elmwood Township agree, and notice is hereby given, that no mechanic's liens or any other type of lien shall in any manner or degree affect title of Elmwood Township to the Premises, nor shall the League have the right to encumber or impair in any manner the title of Elmwood Township and its land, buildings, fixtures, and personal property.

24. Attorney fees.

In the event either party incurs attorney fees in connection with any action taken against the other party while seeking enforcement of any of the provisions of this Agreement, the prevailing party shall be entitled to recover its reasonable attorney fees, in addition to the damages sustained by virtue of breach of this Agreement by the other party.

25. Dispute resolution.

If there is any question or dispute between the parties regarding the terms and conditions of this Agreement, or the operational effects of such terms or conditions, the League shall be represented by not less than three members of its Executive Board or designee at any meeting called for the purpose of resolving any questions or disputes between the parties regarding this Agreement when the presence of the League is required or requested. In such instance, Elmwood Township shall be represented by the Elmwood Township Supervisor, the Elmwood Township Attorney, and one member of the Elmwood Township Board. If the parties are unable to resolve the question or dispute, either party may pursue whatever legal remedies may be available in a court of law.

26. Entire agreement.

This Agreement is the entire agreement between the parties and shall not be modified in any manner, except by an instrument in writing executed by both

parties. If any term or provision of this Agreement, or its application to any person or circumstance, shall to any extent be held invalid or unenforceable, the remainder of this Agreement shall not be affected and each term and provision of this Agreement shall remain valid.

27. Nondiscrimination.

The League agrees to comply with all pertinent state and federal regulations, and legislation involving civil rights, disabilities, equal opportunity, and affirmative action including but not limited to Title VII of the Civil Rights Act of 1964, and Act No. 453, Michigan Public Acts of 1976.

28. Federal, State and Local Regulations.

The provisions of this Agreement shall be construed in accordance with the provisions of state and federal laws and local ordinances. The League assumes sole liability for any non-compliance with these regulations.

29. Choice of Law and Venue.

This agreement shall be governed by the laws of the State of Michigan, and the venue shall be Leelanau County exclusively.

30. Signatories.

The signatories warrant that all statements contained in this Agreement are complete and accurate and that they are empowered to enter into this Agreement.

31. Effective date.

This Agreement is effective upon the date of execution by all parties.

To: Sarah Clarren
Subject: RE: Landscape Structures Introduction
Attachments: MI and OH Playground Locations.xlsx

First and foremost, our Parks and Recreation Committee would like to find out more information regarding the ' Infant Single Slide' whose Model number is 166076.

The slide you selected is just a slide without any structure.

The price is \$8,870 In Equipment, This doesn't include Freight Installation or safety surfacing.

- The webpage says that prices vary. What would be the cost to us as a governmental agency (tax exempt) and shipping to 49684? **Freight would be \$850**
- What is the play structures estimated lifespan? **We have structures that been out in the field for 30 plus years. Best way is to visit the structures and look how well our structures hold up over the years.**
- We have rough winters in northern Michigan, would this impact the life of the structure? **No these structures are designed for very cold and very harsh environments. These structures are build in Minnesota and we have them in very cold northern Canada and out west where the regularly see 50 below weather.**
- Would placement over grass be possible? **No we will need it placed over safety surfacing.**
- Maintenance cost(s), if any. **With Landscape Structures you may pay a bit more but they are built to stand the test of time!**
- Are there any communities in Michigan, or a similar climate, that have this structure? **If so, can you please relay the names? I can provide a list of installations and you can visit the school after hours and parks anytime.**

The same above questions for 'Fire Station + Market Café' (Model 233081).

\$41,7470 In Equipment, This doesn't

include Freight Installation or safety surfacing. Safety Surface is required

Our Committee is also interested in pursuing more accessible play equipment. In the short term, we're looking at swings. The Committee is eyeing the 'We-Go-Swing' (Model 277778) or the 'We-Go-Round with DigiFuse Panels (Model 249558).

\$39,280 In Equipment, This doesn't include Freight Installation or safety surfacing. Safety is required

- Same questions as above.
- We understand that both of these will require some earth work. Is there any information you can provide me on that which is not available online? Depending on the safety surface you are putting around the structure how deep and if we need a gravel base.
- This equipment appears a bit more complex to construct. Does the cost range include installation? Depending on the scope of the project.
- What material (cement, chips, hardpacked, etc.) is recommended for these structures to be installed on? Wood Fiber or poured in place rubber.

Let me know if you have any more questions.

Thanks,
Carl

Subject: RE: Landscape Structures Introduction

Hey Carl,

I wanted to thank you again for your call on Friday. I also was hoping to circle back on getting a more accurate cost estimate for the four play structures I mentioned in my original email.

Thanks!
