Good morning.

I am unable to attend today's meeting due to prior scheduled medical appointments, please include the following for public comment.

"Dear Leelanau BOC

Please stop this ridiculousness. I cannot even believe that the fine people of Leelanau county must take time away from their work and families to deal with this mess. Reducing a voter passed mileage on the basis of decision by a 7 person panel is unimaginable.

I could go on and on about the horrible nature of cutting funds to programing for our youngest citizens, but I fear that for the Republican majority of this board it would fall on deaf ears. Mostly, I would like to know which experts you have consulted in your determination that these services are not needed.

Please, I beg you to stop this nonsense.
