Subject: Early childhood millage

I am writing to let the Board of Commissioners know that I voted for the early childhood millage because I believe providing services to all children early in life is beneficial to the whole community. Research shows that such services provide lifelong benefits such as reduced teen pregnancy, higher graduation rates, lower substance abuse rates, and less criminal arrests.

I do not believe it is the right of the BOC to negate what the the voters have passed.

Please include my letter on the record.
