For today's meeting and tomorrow nights

Dear County Commissioners, My name is Jennifer Littlefield. I am a Nurse practitioner in leelanau county- I have personally seen the benefits of the early childhood interventions with family's who are my patients. I have referred struggling parents to them. Mother's who are struggling with feeding, parents who feel isolated and much more. In addition I can't imagine overturning the will of the voters on this. Pls do not support stopping this important program. Feel free to be in touch with questions. Jennifer Littlefield FNP MSW
