Subject: Early Childhood Mileage

Please put it on record that I am opposed to Commissioner Bunek's claim that he can void the voters' wishes. The voters have spoken. Mr. Bunek has imposed his personal and religious beliefs on the voters before. He should resign. He does not realize that he represents the public, and is not to promote his own agenda. The other commissioners that support this mistaken belief, should also step down.

Pamela Smithbell Suttons Bay Township.
