Mr. Bunek,

Your words and actions sound like you have appointed yourself as Dictator for Leelanau County. They smack of the arrogance and conceit demonstrated by every other tyrant and despot on the face of this earth.

The actions of you and the other Republican Commissioners is against the will of Leelanau County's voters - as expressed in a legal and legitimate election and will almost certainly face legal opposition if you do not retract those actions.

Recall proceedings in your respective townships would be appropriate as well.

Sincerely,  
Peter Westerman
