On Sunday, September 19, 2021, 1:33 PM, Rose O'Neill <roseoneill@aol.com> wrote to the Leelanau County Board of Commissioners, boc@leelanau.gov:

Leelanau County community support is vital for our youngest citizens and their families to grow & learn and be successful human beings. The millage was approved by voters - the Board of Commissioners should NOT pre-empt that approval. Especially not in the strangely “surprise!” manner that the topic was presented & then narrowly approved when in committee. We hope the overall BOC will heed our concerned voices.
