Let me get this straight.

The Republicans in Leelanau county want to defund early childhood services.

It costs approximately \$50.00 per voter per year.

It was approved in a referendum by a majority of the voters who cared to vote that day.

Four republican county commissioners will overturn the will of the people.

What twisted principles are on display here?

No wonder Biden won easily in Leelanau county.

The Republicans in Leelanau need an attitude adjustment.
