Subject: Early Childhood Development budget meeting tonight

Dear Leelanau County Commissioners,

September 21, 2021

I am a resident of Leelanau County and I urge you to reconsider your vote for 0.0 mileage, instead of the millage at the rate authorized by voters.

I would like my stance FOR keeping the early childhood programs noted in the minutes. I voted for this mileage and wish to keep it for the benefit of the community as do other who voted for this program.

Please don't vote to defund our children who use these programs.

Thank you for your consideration.

Darylin Berryman
