**Subject:** Early Childhood Millage

Hello,

I am a Leelanau County resident and voter. My family lives in Elmwood Township and I am writing in support of keeping the Early Childhood Millage in place. Whether or not each of you on the Board personally believes this money is needed, it is what we as a community voted for. Going against something that was put to a vote and passed is unethical and violates our trust. Besides that, funding early childhood programs is incredibly valuable to our society and is never wasted. There is always more we can do to support our young families.

Please give the program time to build up and leave the funding alone. Thank you,
