Subject: "on the record" comment regarding parenting communities

Hello, and thank you for your time.

My name is J.P. Kent and I am a resident of Leelanau County.

It has come to my attention that the board of commissioners is preparing to over-rule the will of the voters of our County, and eliminate the millage we passed that partially funds the 'parenting communities' resource so many benefit from. Disregarding a millage that was voted on directly by the citizens of this county is a gross misconduct of office, and I hope that those board members will reconsider their motion. Please consider what it means to represent the people of your county, and do not misconstrue your job. You are here to represent the will of the people, and not to impress your will on the people.

Thank you for your consideration,
J.P. Kent
