LT. TODD ROUSH
Corrections
LT. JAMES KIESSEL
Law Enforcement

Dear Leelanau County Commissioners:

It is my pleasure to present to you the 2019 Annual Report for the Leelanau County Jail. It is our intent to provide you with a comprehensive summary of jail operations for the year. We hope that the information included in this report can assist you in the preparation of the budget for the following year. This information is provided to give you some additional information and insight into jail operations and answer any questions you may have regarding your oversight of the budget and jail operations within Leelanau County.

Our total Average Daily Population increased from 19 in 2018 to 22 in 2019. Total inmate days were 8,277, up from 6,798 in 2018. Our boarding revenue increased approx. 24% in 2019 as we continue to board inmates for Grand Traverse County. There was a decrease in collection of inmate receivables of approx. 20% in 2019. Corrections staff conducted 62 inmate transports in 2019, totaling over 7,200 miles of travel.

Overall the operation of the Leelanau County Jail continues to be efficient, safe and secure. In October of 2019, the jail again passed its MDOC inspection with 100% compliance. We were also in 100% compliance with annual training requirements for 2019, set forth by the Local Corrections Officer Training Counsel (LCOTS). These accomplishments can be attributed to an excellent staff of Correctional Officers, dedicated to the safe, secure and efficient operation of the jail, 24 hours a day, 365 days a year.

As always, please feel free to offer any recommendations on how we may increase our effectiveness or efficiency of jail operations and service to the public. Do not hesitate to call my office at any time if I can assist you in any way. Thank you for your support and funding of our facility and operations.

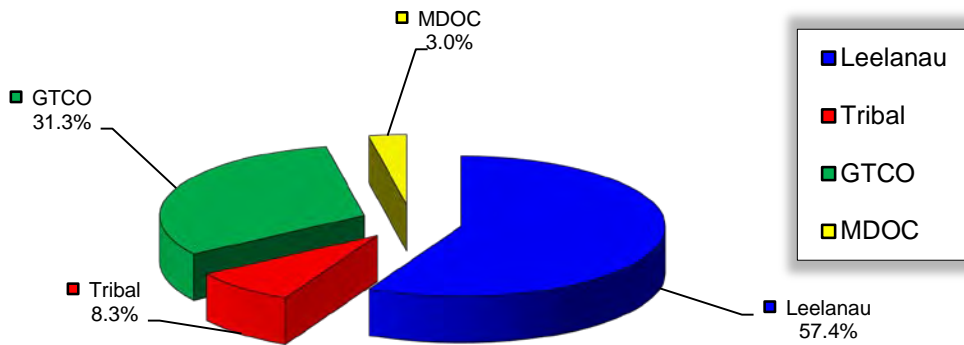

Respectfully,

Lt. Todd Roush / Jail Administrator
