“...he starts talking. They identify him as Eric. Somebody asked who Eric is. Eric respond Hey, Eric, the or somebody respond to Eric's

the Dominion guy. Yeah, that's where I met. Eric Dominion guy, right. I didn't even know what the Dominion was. He can use the talk, Eric. **And then somebody says, Hey, what are we gonna do when f...ing Trump wins. And then he responds, don't worry, f...ing Trump's not gonna win. I made sure of that. The cuts that I would recommend are: **9:30 to 17:20;** the quote above is in the **13:15 to 14:00** section. The entire 32 minutes is excellent.

Eric Coomer, the Security guy and patent-holder for the Dominion Voting Machine's Adjudication Software, caught 3 times lying to the policeman about running his car into a building.

Some of my favorite sections are:

From 4:10 to 4:55 and

From 10:45 to 18:30

But the entire show is excellent in **giving many valid reasons for replacing Dominion Voting Machines in Leelanau County with secure, verifiable, and easily auditable paper ballots** for the 2022 elections and beyond.

These demands to Leelanau County that Dominion Voting Machines be replaced with secure and auditable paper ballots should be happening in ALL 3142 COUNTIES IN THE UNITED STATES!
