#### ASSESSOR'S QUARTERLY REPORT JANUARY THROUGH MARCH 2023

Deeds, property transfer affidavits, name/address changes, and principal residence exemptions and rescind affidavits have been entered and are up-to-date.

Steve and I have reviewed a few proposed splits this past quarter. We received two applications to create two splits. All of 2022 approved land divisions were entered into the 2023 database and in the property record cards in preparation for the 2023 assessment roll.

I entered all of the 2022 new construction drawings and values into the 2023 database. There was \$19,431,800 in new construction True Cash Value added for 2023. This is more than double the prior year. A lot of field work, measuring, pictures, data entry, drawings, and value added went into new construction this past year.

I entered the 2023 personal property statements, empp statements, or personal property exemption forms as they were returned to the Township from local business, utility, and leasing companies.

I completed the 2023 residential, agricultural, commercial and industrial studies and applied the indicated land and ECF's to the properties for 2023.

I printed the 2023 assessment roll. I created the 2023 notice of assessment changes and had them printed and mailed timely.

I prepared for and held the organizational Board of Review meeting. The Board of Review also met for two 6 hour days of hearings open to the public for appeal. There were 16 petitions received for 2023. Midge created the Board of Review minutes for all of the meetings. I entered all of the Board of Review decisions into the 2023 databased and on the 2023 assessment roll.

I printed a L4022, L4023, L4025, L4036, L4037, BOR report and a back-up the entire 2023 Bingham Township database and I delivered all to the Leelanau County Equalization timely as required by law. I also entered the L4022 into the new State MEG system as now required.

The final 2023 assessed value is \$452,076,200 which is 17.88% higher than 2022 assessed value. The final 2023 taxable value is \$290,021,758 which is 9.62% higher than 2023 taxable value.

I have assisted the public with a variety of assessing, tax, pre, and land division questions.

Sincerely,

My W W Suble

Angela W. Friske, Assessor
