Steve and Bingham Twp. PC Membership,

Thank you for the very productive meeting last evening. Attached is the draft language produced for the future land use districts which includes all the revisions you identified last evening. Be sure to check and ensure I got everything accurate.

As discussed, Mathew and I will look to set a meeting with Steve prior to the November 1st PC meeting so that we can generate a draft list of Goals/Objectives and to discuss provisions for the zoning plan.

Thanks for your participation last evening and we will be in touch soon.

Have a great weekend,

Rob
