Language from the Leland Township Zoning Ordinance, Section 18.22 F (Dwellings):

F. All dwellings shall be aesthetically compatible in design and appearance with other residences in the vicinity. The compatibility of design and appearance shall be determined by the Zoning Administrator upon review of the plans submitted for a particular dwelling. Any determination of compatibility shall be based upon the standards set forth in this Section as well as the character, design and appearance of one or more residential dwellings located in the Township within two thousand (2,000) feet of the subject dwelling where such area is developed with dwellings; or, where said area is not so developed, by the general character, design and appearance of residential dwellings located in the Township similarly meeting the standards of this Section. The foregoing shall not be construed to prohibit innovative design concepts involving such matters as solar energy, view, unique land contour, or relief from the common or standard designed home.
