Community Mental Health Listening Sessions

Accessible and effective mental health care is an important need in Leelanau County. In an effort to improve services for those with mental health, addiction, or intellectual and developmental disabilities, Leelanau County and surrounding counties that make up the Northern Lakes Community Mental Health Authority are conducting a study of local mental health care services.

The goal is to be better understand how the system is actually working in Leelanau County and identify opportunities for meaningful change.

2 sessions: Thursday, February 9, 2023

9:30 - 11:30 a.m. or 1:00-3:00 p.m.
