Request to Waive Board Policy on Bid Requirements

Due to COVID-19, the potential purchase of a Polycom system for the Lower Community Meeting Room (LCMR) to assist the public in participating in meetings involving the County, local units of government, or nonprofit organizations was approved for reimbursement by our CDBG Grant Coordinator.

Many community organizations have struggled with providing an opportunity for their respective groups to conduct meetings or events that would engage the public and keep them safe. By installing the system downstairs, the County would be able to fill that need. Information Technology Director Ron Plamondon obtained a quote (attached), which was then submitted to the state for preapproval. The proposed purchase estimate is for a fixed system with TV.

**Suggested Recommendation:** I recommend to the County Board of Commissioners to approve the purchase of a Polycom system for the LCMR at a cost not to exceed \$9,100.00; funds to come from 101.100.101.970.000.

Department Head Approval:  Date: 12/11/2020

## Polycom RealPresence 500 Video Conferencing Kit

Mfg.Part: 7200-64250-001 | CDW Part: 3299597 | UNSPSC: 45111902

- Conference rooms systems kit with Full HD 1080p camera
- Simple to use with Skype for Business integration
- Connect with a variety of devices and monitors with wireless,HDMI and VGA capabilities
- 1-year Polycom warranty

## Product Overview

### Main Features

- Conference rooms systems kit with Full HD 1080p camera
- Simple to use with Skype for Business integration
- Connect with a variety of devices and monitors with wireless,HDMI and VGA capabilities
- 1-year Polycom warranty

Install the compact Polycom® RealPresence® 500 video conferencing kit into small and large meeting rooms for an interactive collaboration solution. A Full HD 1080p resolution camera sends and receives images at up to 60 frame rates per second. This Polycom RealPresence 500 video conferencing kit supports a wide range of monitors and devices with wireless, HDMI, and VGA connection capabilities. Seamless Skype for Business integration gives a simple to use, intuitive voice call platform that requires minimal training. See people and information clearly with dual monitor support. Polycom EagleEye™ Producer software tracks the speaker's face or frames the entire room, ensuring everyone in the room is seen. Bring geographically separated teams closer for collaborative projects with the video conferencing kit for meeting rooms.

Manufacturer :	Polycom
Brand :	Poly
Product Line :	Poly RealPresence Group
Model :	500-720p
Packaged Quantity :	1

## System

---

Conferencing System Type : Video conferencing kit

## Video Output

---

Type : Codec board

Form Factor : External

Supported Display Graphics : WUXGA (1920 x 1200), HD (1280 x 720), SXGA (1280x1024), HDTV (1920x1080), VGA (640x480), WSXGA+ (1680 x 1050), XGA (1024x768), SXGA+ (1400x1050)

Max External Resolution : 1920 x 1200

Digital Video Standard : High-Definition Multimedia Interface (HDMI)

## Video Input

---

Type : Digital video camera

Form Factor : External

Color Support : Color

Digital Video Capture Resolution : 1920 x 1080

## Audio Input

---

Type : Microphone

Form Factor : External

## Input Device

---

Type : Remote control

Connectivity Technology : Wireless

## Modem

---

Connectivity Technology : Wired

Max Transfer Rate : 6 MBps

Digital Signaling Protocol : H.281, H.460, H.323, SIP, H.239, H.225

Data Compression Protocol : G.722, G.722.1, G.728, G.711, G.729.A

Features : Echo cancellation, Auto gain control

## Networking

---

Type : Network adapter

Connectivity Technology : Wired

Data Link Protocol : Fast Ethernet, Ethernet, Gigabit Ethernet

Features : Auto-uplink (auto MDI/MDI-X)

## Interface Provided

---

Interfaces : 2 x video - HDMI output - 19 pin HDMI Type A, 2 x USB - 4 pin USB Type A, 1 x camera, 1 x network - Ethernet 10Base-T/100Base-TX/1000Base-T - RJ-45, 1 x audio - line-in - mini-phone stereo 3.5 mm, 1 x serial - RS-232 - 8 pin DIN, 1 x video - VGA input - 15 pin D-Sub (DB-15), 1 x audio - line-out - mini-phone stereo 3.5 mm, 1 x video - HDMI input - 19 pin HDMI Type A

## Power Device

---

Type :	Power adapter
Form Factor :	External
Nominal Voltage :	AC 120/230 V
Frequency Required :	60 hertz

---

### Service & Support

Type :	1-year warranty
