

DAM AUTHORITY ITEMS

- Need to have Cal fix south sensor voltage problems (I can call him)
- Insure Cal's contract is invoiced/paid
- Need to survey south sensor stake (I can call and meet Vickie with someone)
- Need to send RFP to replace walk way (I have photos, study, etc.)
Budget item??
- Seal roof of control room
- Correct/repair staff gage at Narrows Bridge abutment (willing to help...I have the correct survey readings)
- As part of the Court Order, better water level observation/control is needed. Citizens made there point last fall...they are now going to wait and see before they will make a 'stink' again.
