Document Description

☒ Capital Purchase ☐ Other _____

☒ **Request to Waive Board Policy on Bid Requirements**

This is the second of Two requests

The Leelanau County Sheriff's Office / Marine Safety Division is requesting approval to waive the board policy on bid requirements and purchase a 2021 NauticStar Legacy 2102 Boat, 150 hp Yamaha Motor, and trailer from Walstrom Marine of Traverse City; funds for the boat ($71,103) to come from account 101.225.331.777.006.

Once purchased, the vessel will be outfitted with the proper emergency, communications equipment and graphics. These projected costs are not expected to exceed $3977.20; with funds to come from the currently approved 2021 budget under current board budget rules.

Total purchase and costs for the finished patrol boat will not exceed $75,080.20.

Upon completion of the vessel up-fitting, it will be seasonally docked on Glen Lake, with that lake being the vessel's intended primary patrol use. This vessel would then be added to the current Sheriff's Office fleet, to replace the recently auctioned 1995 Four-Winns boat, motor, and trailer. The current fleet is as follows:

- 1991 BW Outrage 17 (30 years old)
- 2001 Tiara Pursuit 2470 (20 years old)
- 2008 Wellcraft Coastal 252 (13 years old)
- 2011 BW Montauk 1550 (10 years old)

Suggested Recommendation: I move to recommend that the Board of Commissioners waive its policy on bid requirements and approve the purchase of a 2021 NauticStar 2102 Legacy Boat, as presented and also equip the boat with new emergency and communications equipment; funds to come from account 101.225.331.727.006 and currently approved 2021 budget funds with a total cost not to exceed $75,080.20.
