Subject: Rightfully Hers Pop-up display

Dear Mr. Janik,

I am writing to ask if it is possible for the Governmental Center to host this pop-up display for public viewing during the month of August. The display was developed and sent out by the National Archives to commemorate, the 100th year 2020, of the 19th Amendment to the US Constitution which granted women the hard earned right to vote. It is titled, "Rightfully Hers". Attached are pictures of the 4 sides.

Late Addition #2

The Governmental Center seems a perfect place for this to be viewed by citizens of Leelanau County so they can learn more about the history of voting rights in the United States. Currently, the Leelanau Historical Museum has one on display but, unfortunately they are closed to the public due to Covid.

I have an unopened display and would be most happy to set it up and take it down if this can be approved. Feel free to email or call me with any questions. 231-342-9944.

PS: You may remember that I am a member of the League of Women Voters Leelanau County although, this display does not mention the League.

Thank you for your consideration of this offering.
Jan Frazee
