Subject: Leelanau County May 2020 Covid Plan
Date: Tuesday, March 9, 2021 8:21:25 AM
Importance: High

Please enter the comments below into the March 9th, 9 AM BOC meeting record. I'll read them during public comment at the end of the meeting.

Some Leelanau County Commissioners consistently fail to wear masks during BOC meetings attended by Commissioners, County staff and the public. Wearing masks in the Government Building is required based on the May 2020 Covid 19 Plan which was approved by all Commissioners. What entitlement or unique privilege do these Commissioners have which enables them to violate the Covid 19 Plan? Commissioners have a responsibility to comply with the Covid 19 Plan.

Commissioners failure to wear masks during BOC meetings puts other meeting attendees at risk for transmission of Covid 19. Commissioner who fail to wear masks should attend meetings via Zoom.

Thanks you.
