Application is hereby made for a Site Plan Review approval to authorize the proposed activity described herein. I understand that the granting of other permits by local, county, state or federal agencies, does not release the property owner from the requirement of obtaining the permit requested hereon before commencing the project. I understand that the granting of a Land Use Permit from Leland Township does not exempt the property owner from obtaining other permits that may be required by county, state or federal agencies. Article 6 of the Leland Township Zoning Ordinance applies to this application process.

With the granting of the permit for the above, it is agreed that such work will conform to state building codes, zoning and other ordinances of Leland Township, and that said Township shall not be liable for any resulting damage. Under no condition does the granting of a Land Use Permit suggest that Leland Township can provide emergency services to the permitted structure or building in the location permitted.

I certify that I am familiar with the information contained in the application, and that to the best of my knowledge and belief such information is true and accurate and in compliance with the Leland Township Zoning Ordinance. I certify that I have the authority to undertake the activities proposed in this application. By signing this application, I agree to allow a representative of Leland Township to enter upon said property in order to inspect the proposed project.
