**Centerville Township Hall; public participation via Zoom**  
**MINUTES**

**PRESENT:** James Schwantes, Elizabeth Chiles, Katrina Pleva, Ron Schaub

**GUESTS:** Manager Leelanau Road Commission Brendan Mullane, Engineer Leelanau Road Commission Craig Brown, County Commissioner Patricia Soutas-Little, and 2 members of the public

1. **Call to Order:** Schwantes called the meeting to order at 6:33 PM
2. **Review Agenda/Board Member Amendments or Additions /Public Comment /Approve Agenda**
3. **Remarks by the Supervisor**—Supervisor Schwantes asked the Road Commission when they would have a final, actual cost for the Chalet Road project available. Engineer Brown replied that they were currently putting together bids for the project and final numbers should be available by mid-March. Supervisor Schwantes remarked that costs on the Special Assessment District roll would be finalized once the township has received final numbers from the Road Commission. The next public hearing, which would be a discussion of the Assessment roll, will be held in April. Engineer Brown indicated that the chip/ seal/ underlay for this project will be done in June. Wedging and overlay will be scheduled after that first step is completed, likely in early to mid-summer. Supervisor indicated that he would continue to direct all technical questions from the public to the Road Commission. Also, recent federal guidelines on the ARPA money indicates that it may be used for any government service activities, including road improvement.
4. **Public Testimony--none**
5. **Testimony submitted by mail entered into the record. Clerk Report:** one email received from Nancy Clark, owner of 2 parcels, protesting the project.
6. **Comments by members of the Township Board—none**
7. **Meeting adjourned by Supervisor at 7:00**

Respectfully submitted,
