Subject: Why I oppose prayer before BOC meetings
Date: Tuesday, April 20, 2021 5:02:12 PM

We are opposed to prayer before Leelanau BOC meetings, for many reasons, but primarily because it's very inappropriate. Religion has nothing to do with government. There are many people of many different religions in our county, and many who are not actually religious: Prayer is a private individual matter and should in no way be forced upon others.

Thank you.
