

Letter to the Leelanau County Commission  
Re: including a prayer

Dear Commissioners,

In consideration of diverse views on what might serve as a prayer for all the citizens you represent and, in valuing the time of those attending your meetings, as well as the valuable time of the Commissioners I would suggest the following. If there is a majority vote to include a prayer, you do this in advance of the scheduled start time of the meeting. Those that choose to attend or participate may do so. Those interested only in the business of the Commission may arrive at the regular start time of the meeting. Value the time of the audience as well as the time of staff and Commissioners.

Respectfully,

Lois Bahle
