Subject: Vote no on formation of lake board
Date: Saturday, July 3, 2021 10:03:29 AM

Hello. I would like you to vote NO on the formation of a lake board for Lake Leelanau. I object to this. I have no say over who is on the board, which is anti-democratic. I object that only lake owners have to pay. Why not charge a per day fee from day trippers using the lake? As an riparian owner with 228 feet of lake frontage and a member of the LLLA, I understand that we have an issue with day boaters bringing invasive species attached to their trailers and boats, but why should I be the only one taxed for the removal of this? I would be subjected to an appointed board with no limit on what they could tax me for. We don't need this. It's another tax increase. Please reject the formation of a lake board. Thank you, Allan Smith
