Subject: Special Meeting 9/9/2021
Date: Thursday, September 9, 2021 10:18:38 AM

I am writing in support of the BLDHD decision to require masks for Leelanau School children. Also I want to THANK and HONOR our health department for keeping us informed, and safe through this covid pandemic. I agree with the Publisher of the Leelanau Enterprise that we should support the Health department and not be divisive.

I request that my comment be entered into the minutes.

Thank you
