**Subject:** BOC Meeting of September 9, 2021  
**Date:** Thursday, September 9, 2021 4:46:42 PM

---

We are aware of the special meeting tonight to discuss the Public Health Order given by the Benzie Leelanau District Health Department. Why would you want to interfere with their efforts to keep our children, teachers and staff safe so they are able to remain in school in person?

We were raised to do what is best for the Common Good. During this pandemic that means following the rules prescribed to us by the Department of Public Health. They are the experts.
