Subject: COVID - BOC - Lautner - BLDHD Mask Order
Date: Wednesday, September 8, 2021 2:47:09 PM

I am requesting that this email be entered to the September 9, 2021 BOC's meeting record.

Commissioner Lautner continues to persist with her arrogance and ignorance regarding COVID by calling for this special meeting on the BLDHD's mask order. Her action smacks of persistent and widespread political posturing denying the reality of COVID, its toll on mankind and necessary actions to mitigate the disease.

1. Commissioner Lautner endorsed and signed the BOC's Leelanau County March 2020 COVID plan.
2. Commissioner Lautner has violated her sworn oath of office and her duty to serve the People of Leelanau County.
3. Commissioner Lautner's has abused her office and responsibilities to the People by her failure to wear a mask in compliance with the COVID plan.
4. Commissioner Lautner has publicly stated her objection to wearing a mask at BOC meetings.
5. Commissioner Lautner has constantly put her peers, Leelanau County employees and guests at risk of exposure to COVID during BOC meetings.
6. Commissioner Lautner along with all the BOC must abide by its COVID plan, the BOC's legal posture on COVID and the BLDHD's mask order.

We, the residents of Leelanau County expect nothing less than the BOC's unanimous support of the BLDHD mask order. To do otherwise nullifies the vital role the BOC represents to the People of Leelanau County during these day of COVID.
