Subject: Support of Health Dept. Mask Mandate

Commissioner Allgaier,

Thank you for your service. I am writing in support of the Benzie Leelanau District Health Department Mask Order. Masks have been proven to be effective in helping to prevent the spread of Covid 19 and the more easily spread Delta variant. I am very worried about the increase of cases in children, which appear to be primarily caused by unvaccinated adults. Please accept this as a strong support of mandating masks in our school systems.

Thank you,
Richard Hill
