TO: All Leelanau Country Commissioners

Dear Commissioners:

We urge you to call for the resignation of the Leelanau County Sheriff. His appearance at a campaign rally with Donald Trump makes him unfit for office. The county Sheriff should represent all of us in upholding the laws and not publicly take sides in the campaign for President. I assume that as Sheriff he pledged to uphold the laws of the United States, but he clearly supports a candidate who flouts the laws whenever it suits him and urged the violent overturning of the last Presidential election. The Sheriff is unfit for office and should remove himself.

Sincerely,

Dawn Chalker and Peter Solenberger
