Dear Commissioners,
Please assure me and my fellow tax paying citizens of Leelanau County that the Sheriff was not paid for the day he abandoned his duties to stand at the left hand of Trump at his rally in Grand Rapids. Assure me and my fellow tax paying citizens as well that the uniform/weapons he wore and carried were his own, and not purchased with our tax dollars. Finally, please assure me and my fellow tax paying citizens that the sheriff did not inappropriately use a county vehicle to drive to Grand Rapids to prominently stand, and thereby endorse, a man with nearly 100 criminal charges pending. If these assurances are not possible, disciplinary action and the Sheriff's resignation should be forthcoming.

Sincerely,
Sarah Jane Johnson and Robert Babich
Lake Leelanau
