

Petition against the proposed placement of the portable toilet on the tart trail.

We the undersigned object to the placement of the portable toilet on the tart trail and would like it moved to the North side of Shady Lane.

We do not want to look at the toilet every day when we leave or entering Grapevine Trail.

Subject: tart trail improvements

Dear Bingham Planning Commission,

Please be advised that I, a resident of Bingham Township, approve of the proposed Tart Trails enhancements and improvements to the Leelanau Trail in Bingham Township including a singletrack trail land use permit request.

Yours truly,

David Williams

Subject: TART Trail improvements

Dear Planning Commission,

I am writing in support of TART Trails' proposed trail improvements and enhancements that are up for consideration on June 2. As a resident of Bingham township and a user, supporter and Leelanau Trail-adjacent property owner, my family and I strongly advocate for the approval of a land use permit to construct an intermittent singletrack trail as well as a porto-let at the Shady Lane trailhead parking area and a landscaped rest node near Tru North Landscaping. This trail system is one of the best parts of living here -- good for our bodies, our community, our spirits, and our environment. We're grateful for TART's work and for all the volunteers and trail users that keep it clean, respectful, and user-friendly.

Thank you for considering approval for these amenities, and for your service on the Bingham Township Planning Commission.

Sincerely,

Ellen Welcker
