

New Office Committee Meeting  
March 7, 2024  
11:00 am  
Remote with Renovare  
Minutes

1. Discussion of Constraints (added New Building to the agenda)
  - A. Sue has made arrangement for the inspection.
  - B. Village Attorney will review with Sue the Title report
  - C. Is there a legal requirement to obtain an appraisal (General Law Village or Municipal Finance Code?) – Maggie will ask Village Attorney.
  - D. Environmental Assessment. The provision in the Purchase Agreement seems odd. As a municipality, any report paid for by the municipality falls under FOIA.
  - E. A copy of the site constraints for the current building was provided at the last meeting.
  
2. Community communications (ADDED to agenda). The committee shared with Renovare recent communications from residents regarding purchase of the building. Jill and Brad (and perhaps others) are willing to put together a presentation for the March Village Council regular meeting (March 26, 2024).

Meeting adjourned at 11:35 am

Respectfully submitted,

Maggie Bacon
